PROXY STATEMENT

The following statement is furnished to the holders of the Class A Common Stock, par value \$0.10 per share (the "Class A Common Stock"), of Bel Fuse Inc. ("Bel" or the "Company"), a New Jersey corporation with its principal executive offices at 206 Van Vorst Street, Jersey City, New Jersey 07302, in connection with the solicitation by the Board of Directors of Bel of proxies to be used at Bel's Annual Meeting of Shareholders. The Annual Meeting will be held at the Courtyard Marriott, 540 Washington Boulevard, Jersey City, New Jersey 07310, on Thursday, May 22, 2003 at 2:00 p.m. This Proxy Statement is also furnished to the holders of Bel's Class B Common Stock, par value \$0.10 per share (the "Class B Common Stock"), for informational purposes. Holders of Class B Common Stock are not entitled to vote at the Annual Meeting in accordance with Bel's Certificate of Incorporation, as amended. This Proxy Statement and, as to holders of the Class A Common Stock, the enclosed form of proxy are first being sent to shareholders on or about April 21, 2003. As used in the remainder of this Proxy Statement, the term "shareholders" shall refer to the holders of Bel's Class A Common Stock.

VOTING; REVOCATION OF PROXIES

A form of proxy is enclosed for use at the Annual Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time before it is exercised by giving written notice to the secretary of the meeting. A subsequently dated proxy will, if properly presented, revoke a prior proxy. Any shareholder may attend the meeting and vote in person whether or not he has previously given a proxy. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If a proxy is signed but no specification is given, the shares will be voted "FOR" the Board's nominees to the Board of Directors.

PROXY SOLICITATION

The entire cost of soliciting these proxies will be borne by Bel. In following up the original solicitation of the proxies by mail, Bel may make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock held of record by such persons and may reimburse them for their expenses in so doing. If necessary, Bel may also use its officers and their assistants to solicit proxies from the shareholders, either personally or by telephone or special letter.

VOTE REQUIRED; SHARES ENTITLED TO VOTE; PRINCIPAL SHAREHOLDERS

The presence in person or by proxy of holders of a majority of the outstanding shares of the Company's Class A Common Stock will constitute a quorum for the transaction of business at the Company's Annual Meeting. Assuming that a quorum is present, the election of directors will require the affirmative vote of a plurality of the shares of Class A Common Stock represented and entitled to vote at the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those cast "for" or "against" are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting. Holders of Class A Common Stock are not entitled to cumulative voting in the election of directors.

Holders of record of the Class A Common Stock at the close of business on April 14, 2003 (the record date fixed by the Board of Directors) will be entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the record date, there were 2,676,663 shares of Class A Common Stock outstanding and entitled to vote at the meeting. Each such share is entitled to one vote on all matters to come before the meeting.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and greater than 10 percent beneficial owners to file with the Securities and Exchange Commission certain reports regarding such persons' ownership of the Company's securities. Directors, officers and greater than 10 percent beneficial owners are required by applicable regulations to furnish Bel with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of the forms or information furnished to Bel, the Company believes that during 2002 all filing requirements applicable to its directors, officers and greater than 10 percent beneficial owners were satisfied on a timely basis, except that John Johnson (a director of the Company) did not file on a timely basis a report disclosing a purchase of 500 shares of Class B Common Stock and a gift of 500 shares of Class B Common Stock, which occurred in December 2002. This late filing was inadvertent, and the required filing was made promptly after noting the failure to file.

The Audit Committee is reviewing the relevant requirements of the Sarbanes-Oxley Act, the proposed rules of the SEC and the proposed new listing standards of the Nasdaq Stock Market regarding audit committee policies, and intends to adopt an amended charter to comply with the final SEC and Nasdaq Stock Market rules.

Independence of Audit Committee Members. The Class A and Class B Common Stock are listed on the Nasdaq National Market and the Company is governed by the listing standards applicable thereto. All members of the Audit Committee of the Board of Directors have been determined to be "independent directors" pursuant to the definition contained in Rule 4200(a)(14) of the National Association of Securities Dealers' Marketplace rules.

PERFORMANCE GRAPH

The following graph compares the cumulative total return on a hypothetical \$100 investment made at the close of business on December 31, 1997 in Bel's Common Stock and, since the Company's recapitalization effected July 9, 1998, in Bel's Class A Common Stock and Class B Common Stock with the Nasdaq Stock Index and the Nasdaq Electronic Components Stock Index. The graph is calculated assuming that all dividends are reinvested during the relevant periods. The graph shows how a \$100 investment in either the Class A Common Stock or the Class B Common Stock would increase or decrease in value over time, based on dividends and increases or decreases in market prices. The market prices of the Class A Common Stock and the Class B Common Stock were averaged.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Decisions on compensation of Bel's executive officers generally are made by the Compensation Committee of the Board of Directors (the "Committee"). Pursuant to Securities and Exchange Commission rules designed to enhance disclosure of corporate policies regarding executive compensation, Bel has set forth below a report submitted by the Committee addressing Bel's compensation policies for 2002 as they affected Daniel Bernstein, the Chief Executive Officer, and the other Named Officers.

The goals of Bel's compensation policies for executive officers are to provide a competitive level of base salary and other benefits to attract, retain and motivate high caliber personnel.

The Company's compensation program consists primarily of base salary and long-term incentive awards. In making its compensation decisions, the Committee analyzes the Company's performance, the individual's performance in terms of the fulfillment of responsibilities related to the applicable position, and the individual's contribution to the Company.

Executive officers receive performance and salary reviews each year. Salary increases are based on an evaluation of the extent to which a particular executive officer is determined to have assisted the Company in meeting its business objectives and in contributing to the growth and performance of the Company.

Daniel Bernstein's salary and Colin Dunn's salary remained virtually unchanged from 2001 to 2002. No substantial bonuses were granted to the Named Officers in 2002, due to cost containment measures implemented by the Company.

The Company's long-term incentive award program includes the grant of stock options. Stock options only produce value to executives if the price of the Company's stock appreciates, thereby directly linking the interests of executives with those of stockholders. All of the Company's outstanding stock options have been granted at exercise prices at least equal to the market price on the grant date. None of the Named Officers was granted a stock option during 2002.

Pursuant to the Company's domestic 401(k) Plan and Far East Retirement Plan, the Company makes matching contributions of pre-tax elective deferral contributions made by employees, including executive officers. The Company's matching contributions under the 401(k) Plan are currently made in shares of Bel's Class B Common Stock and under the Far East Retirement Plan are currently made partly in shares of Bel's Class B Common Stock (approximately 10% of the Company's contribution) and partly in cash (approximately 90% of the contribution). Bel believes that these plans are an important element in executive long-term compensation and foster the retention and motivation of qualified executives.

During 1993, the Omnibus Reconciliation Act of 1993 was enacted. This Act includes potential limitations on the deductibility of compensation in excess of \$1 million paid to the Company's five highest paid officers beginning in 1994. Based on regulations issued by the Internal Revenue Service and an analysis by the Company to date, the Company believes that any compensation realized in connection with the exercise of stock options granted by the Company will continue to be deductible as performance-based compensation. The Committee and the entire Board of Directors will continue to evaluate the impact of this legislation on Bel's compensation program and intends to submit appropriate proposals to stockholders at future meetings if necessary in order to maintain the deductibility of executive compensation.

Respectfully submitted,

Robert H. Simandl
Peter Gilbert
